Training that transforms

This is to certify that
Elizabeth Bury
has successfully completed
Conflict Management Training

Attended April 2024

This programme covers:

- Settle workplace conflict and quickly restore harmony
- Use reason and logic, rather than anger and emotion, when handling conflict
- Objectify the situation and quickly find solutions, without emotionalising
- When to compromise and when to stand firm
- Use the correct level of assertiveness; the proper use of voice tones and body language
- How to use praise and appreciation to reinforce any positive changes
